

C.O.A.C.H. COVID-19 Safety Plan

To help protect our people, patients, and community we are taking precautions laid out by Interior Health consultants, Workplace Health & Safety Infection Prevention and Control, C.O.A.C.H. Medical Officers and the COVID-19 guidelines from the BC Centre for Disease Control. Our safety plan involves the following:

- All participants will be screened for COVID-19 before entering building
- High risk or immune compromised individuals will not be recommended to attend at this time
- Individual health history and program options will be reviewed and appropriate program options presented
- All staff will be wearing PPE
- Participants are not required to wear face masks but recommended to
- Equipment, surfaces will be cleaned frequently and between uses
- Participants will be spaced apart greater than 2 metres
- Opportunity for frequent hand hygiene with sanitizer, soap & water will be provided
